**President's Report — Ron Charlemagne:**

Ron thanked everyone and acknowledged the honour of being president.

He talked about how this year has been so affected by the COVID 19 pandemic, especially since so many of our events have a social basis. In concern for our members' health we took an early stance and stopped in-person activities. Although we had to cancel the Plant Fair, we moved our general meetings to online Zoom connections. He challenged us to reply to the pandemic with "What can we give?" reminding us how important horticulture - growing plants and vegetables - is in our community.

(President's report is attached.)

**Acceptance of the President's Report:** Barbara Japp moved to accept the President's Report and was seconded by Judy Whalen. Carried.

**Treasurer's Report – Emieke Geldof:**

Financially, this has been a very different year. The Plant Fair, our mayor fund raiser, was cancelled. Another change was that we had fewer requests for funding from our Community Gardens (4 instead of the 10 from last year). We were able to support Kathy's Garden and there are funds for it to carry over to next year. In summary we had total income of \$6,532.41, total expenses of \$6,039.28, leaving a profit of +/- \$500.00. Membership has gone down a little. We were at 176, we are now at 130 members.

We have a healthy reserve fund, which is our contingency fund in case we make less or spend more than expected.

The financial details were mounted on screen while Emieke spoke.

Thank you to this year's financial reviewers Ingrid Whittaker and Patty McKnight, who reviewed the financials for the year of October 1, 2019 through to September 31, 2020.

(Treasurer's report is attached.)

**Appointment of Financial Auditors:** Ann Wong and Mary Mosser have kindly offered to be next year's financial reviewers and will therefore be reviewing the financial statements from October 1, 2020 through to September 31, 2021 once completed.

**Acceptance of the Treasurer's Report and the reviewed financials for the year of October 1, 2019 through to September 31, 2020:**

Carey Robertson moved to approve the Financial Report and was seconded by Anne Karpynczyk. Carried. No virtual hands were raised in opposition.
